OUR APPROVED CATERERS

We work with a selection of trusted local caterers who share our passion for quality and creativity.

Each of them brings something unique – from relaxed Mediterranean feasts to elegant fine dining experiences under the stars.

Whether you dream of festival-style food trucks, long-table dinners, or late-night snacks by the pool, our partners can make it happen.

Menus start around €50 per person, depending on your wishes.

Once your booking is confirmed, we'll connect you directly with our approved caterers and planners to shape your perfect celebration.

NATURE & FREEDOM

Nestled between the Mediterranean Sea and the Catalan hills, Mas Santo is a private estate designed for unforgettable weddings surrounded by nature. Our philosophy is simple — freedom, connection and authenticity. Every celebration here feels effortless yet refined, with space to create your own story.
